Your engagement matters! Circle which one below best describes your level of engagement.

	Zooming along! I'm behind the wheel, enjoying the ride and I don't want to stop.
	Cruising along... I'm behind the wheel and driving in the right direction, I think.
	Riding along... I'm sitting in the passenger seat and hoping I'm going in the right direction.
	Car sick.... I am sitting in the backseat and I am feeling sick from all the curvy roads.
	Asleep in the car...

Briefly tell me **WHY** you chose it.

**Ahoy there! Here's how I felt about this lesson...**

*Circle which one below best describes your level of engagement.*

	<p>I was a <b>BIG</b> cruise ship, soaking up every I could. I did my best and learned a lot.</p>
	<p>I was sailing fast, learning along the way, as usual.</p>
	<p>I was just tugging along, but didn't learn anything.</p>
	<p>I was adrift - just trying to stay afloat on my raft.</p>

**Briefly tell me WHY you chose it?**

This was cool! I didn't even notice that I was learning a lot.

This was okay. I learned some things.

This just happened. I am not sure why.

Do we have to do this again? I don't like this.

This was so cool and I wanted to do more!

This was cool, but I was ready to stop.

This wasn't my favorite.
